

DAIKIN FTXM60R Perfera Wall Mounted Air-Conditioner, 22000BTU

SKU: IT58657

€2,299.00

Specifications

Cooling Efficiency

- Cooling energy class: A ++
- Rated Input Power: 0.032 kWatt
- Air flow rate: up to 16.7 m³/min

Heating Efficiency

- Energy class in heating: A +++
- Rated Input Power: 0.035 kWatt
- Air flow rate: up to 16.5 m³/min

General Specifications

- Coolant type: R32

- Onecta application: You control the indoor climate from any location via smartphone or tablet
- Silver filter for removing allergens and air purification
- Almost silent
- Multi-unit connectivity: Up to 5 indoor units can be connected to one outdoor unit even if they have different performance
- Heating boost: It heats your home quickly when you turn on your air conditioner
- Economy mode: Reduces power consumption thus allowing the use of other appliances that require high power consumption
- 2 Zone motion detection sensor: The air supply is sent to a zone other than where the person is at the moment
- Energy saving in standby mode
- Night mode: Saves energy by preventing excessive cooling or heating during the night
- Fan only: The unit can be used as a fan, providing air without heating or cooling
- Pleasant atmosphere program: Ensures operation without currents, preventing the direct supply of hot or cold air to the body
- Powerful operation: Can be selected for rapid heating or cooling
- Automatic cooling / heating switch
- Silent operation of indoor unit
- 3D Airflow: Combines vertical and horizontal automatic movement of the fins thus circulating a stream of cool or warm air right at the corners of even large spaces
- Automatic vertical and horizontal movement of fins
- Automatic fan speed adjustment
- 5 Step fan speed adjustment grades
- Dehumidification program: Allows to reduce humidity levels without fluctuations in room temperature
- Flash Streamer: neutralizes allergens such as pollen and fungal allergens and removes unpleasant odors by providing better, cleaner air
- Apatite Coated Titanium Air Filter: Eliminates annoying odors for example from smoke and pets
- Air filter: Retains suspended dust particles ensuring a constant supply of fresh air
- 24Hour and Weekly Timer
- Infrared remote control
- Automatic restart after power failure
- Self-diagnosis: Simplifies the maintenance process by indicating system errors or malfunctions

Noise Levels

- Cooling sound pressure level (Hi/Med/Low/Si): 46/42/37/30 dB(A)

- Heating sound pressure level (Hi/Med/Low/Si): 45/41/36/33 dB(A)
- Cooling sound power level: 60 dB(A)
- Sound power level at heating: 59 dB(A)

Dimensions & Weight

- Indoor unit dimensions: (H x W x D): 29.9 x 99.8 x 29.2 cm
- Indoor unit weight: 14.5 kg
