

LOGITECH G240 Gaming Mousepad

SKU: IT48781

€18.90

Specifications

General Specification

- The rubber base prevents the cloth from being scratched in front of the mouse and interferes with the smooth movement of the mouse
- Uses a surface texture comparable to the optimal testing environment for Logitech G mice
- Heavy patterns and designs can interfere with sensor performance
- Heat-treated at 200° C, the cloth surface of G240 provides just the right amount of friction for low-DPI maneuvers
- Slick, taut weave for SPEED gameplay

Dimensions & Weight

- Dimensions (HxWxD): 280 x 340 x 1 mm
- Weight: 90 g
