

LEGAMI FIP0001 15 Number Puzzle

SKU: IT51365

€6.95

Specifications

General Specifications

- Type: Wooden numbers game with a vintage feel
- Included: 15 numbered tiles
- The objective of the game is to put the tiles back in numerical order after shuffling them
- The trick is to do it by sliding the tiles horizontally or vertically into the tray - it is difficult when there is only one empty space
- Challenge your friends or family members to see who can rearrange the tiles first!
- Material: FSC® certified wood

Dimensions & Weight

- Dimensions (HxWxD): 10 x 10 x 0.2 cm
- Weight; 0.01 kg
