SKU: IT65751

**€129.00**

## Specifications

---

### Technical Specifications

- Type: Condensor microphone
- Polar patterns: Omnidirectional
- Frequency response: 20 Hz-20 kHz
- Dynamic range: 86 dB @ 1 kHz
- Frequency range: 2,046 GHz -2,474 GHz
- Power supply 5V=1A
- Bit depth: 16 bit
- Maximum SPL: 100 dB SPL(1kHz @ 1m) dBu
- Sample rate with ENC off: 48 kHz
- Sample rate with ENC on: 16 kHz
- Equivalent noise: 22 dBA

- Microphone battery type: Lithium-ion polymer 130 mAh /3.85 V
- Charging case battery type: Lithium-ion polymer 550 mAh /3.7 V
- Charging time: 2 hours
- Battery charging case: Up to 18 hours
- Battery microphone: Up to 6 hours

### **General Specifications**

- Plug and play: Connect the low-latency 2.4Ghz Lightning wireless dongle directly to your Apple device and you'll be connected instantly
- : Do not hesitate to move away from your device, because you have a transmission range of 100 meters
- Crystal clear recordings: Your voice will be clear and defined despite the wind and the noise
- : Omnidirectional shooting pattern with adjustable ambient noise cancellation allows recordings with or without ambient sounds
- Adjustable mic gain: Boost or reduce the volume of your voice on the microphone using the JBL Headphones app and your recordings will sound great wherever you are
- 24 hours of recording time, plus speed charge: Record or broadcast wirelessly for up to 6 hours and receive another 18 hours from the charging case
- : If you're in a hurry, a 15-minute quick charge gives you 1 extra hour of recording
- Customizable with the JBL Headphones App: Through the JBL Headphones app you can directly control the various functions of the microphone from your Apple device
- Windscreen for noise reduction: The optional furry windscreen, easily mounted on the move, allows crystal clear outdoor recordings
- Reliable recordings: You'll always know when you're connected, when you're recording and when the battery needs charging, thanks to the status lights on the microphone and case
- : You can also dim the LEDs in low-light conditions using the JBL Headphones app
- Charge while streaming: You can easily charge your Apple device while streaming using the additional USB-C port on the dongle

### **Included in the Box**

- 1 x JBL Quantum Stream Wireless microphone for lightning connection
- 1 x 2.4GHz Receiver
- 1 x Charging case
- 1 x Windscreen
- 1 x USB charging cable
- 1 x Warranty/Warning
- 1 x QSG

### **Weight**

- Microphone weight: 0.01 kg
- Dongle weight: 0.006 kg
- Charging case weight: 0.05 kg
