General Specifications

- Drip-free and streak-free results: Thanks to electric water vacuuming, dripping water is now a thing of the past. For sparkling clean windows
- Diverse applications: The Window Vac can be used on all smooth surfaces such

as tiles, mirrors and shower cabins

- LED display in field of view: The LED display integrated in the on/off switch indicates in good time when the battery needs to be recharged
- Quick to empty: The dirty water tank can always be emptied quickly and easily when required
- Exchangeable suction nozzle: Choose between a large or small suction nozzle, based on the size of the cleaning surface
- Three times quicker: Window cleaning is three times faster with the Window Vac than with conventional methods
- Lightweight and quiet: Its low weight and pleasantly low noise level make window cleaning with the WV 2 even more convenient
- Completely hygienic: Quick and simple tank emptying without coming into contact with dirty water
- [See the manual HERE](#)
