

PITSOS PTK6D65G Hood Chimney, 60cm

SKU: IT42835

€279.00

Specifications

Technical Specifications

- For operation with air extraction or recycling
- Ability to absorb in the extraction mode according to EN 61591 ø 150 mm:
- - Maximum normal operation level 621m³ / h
- Noise levels min./max. normal operation: 48/69 dB
- Energy efficient CapacityMotor engine
- Operation with push buttons
- Distinctive lighting with 2 LEDs of 1.5 W
- 2 x metal filters, with aluminum frame washable in dishwasher
- 3 absorption steps

General Specifications

- Energy class: B
- Average annual energy consumption: 46.5 kWh / year *
- Lighting performance: A
- Fat retention performance: B
- Lighting intensity: 99 lux
- Total power: 220 Watt
- 1.3 m plug connection cable
- Diameter of pipe Ø 150 mm, 120 mm

Dimensions

- Extraction mode (HxWxD): 635-965 x 600 x 500 mm
- Recycling mode (HxWxD): 635-1075 x 600 x 500 mm
