

SIEMENS LC66BBM50 Chimney Hood, 60 cm

SKU: IT45730

€429.00

Specifications

General Specifications

- For operation with exhaust or air recycling
- 3 levels of normal operation and 1 intensive
- Energy efficient engine capacityMotor
- Discreet lighting with 2 1.5 Watt LEDs
- 2 x metal filters, with stainless steel frame washable in dishwasher
- Electronic control with touchControl - electronic screen

Technical Specifications

- Absorption capability in the export mode based on EN 61591 ø 150 mm:
Maximum normal operating level 368 m³ / h, Intensive 605 m³ / h
- Noise levels min./max. normal operation: 48/60 dB

- Total power: 220 Watt
- Energy class: B
- annual energy consumption: 48.1 kWh
- Fluid Dynamics: A
- Lighting performance: A
- Fat Retention Efficiency: B
- Lighting intensity: 242 lux
- Color Temperature: 3500 K.
- Connection cable with plug 1.3 m
- Air non-return mechanism

Dimensions

- Tubing Diameter Ø 150 mm, 120 mm
- Exhaust mode (HxWxD): 635-965 x 600 x 500 mm
- Recycling mode (HxWxD): 635-1075 x 600 x 500 mm
