

SIEMENS LC96BBM50 Chimney Hood

SKU: IT44288

€549.00

Specifications

Technical Specifications

- Energy Class: B
- Maximum Absorption: 604 m³ / h
- Noise levels: 48-60 dB
- Operating stages: 3 normal and 1 intensive
- Energy efficient engine capacityMotor
- Lighting: 2 x 1.5 Watt LED
- Total power: 220 Watt
- Fluid dynamics: A
- Lighting efficiency: A
- Lighting intensity: 214 lux
- Color Temperature: 3500 K

General Specifications

- Electronic control with touchControl
- Electronic screen
- 3 x Metal filters, with aluminum frame that is dishwasher safe
- Combination of white and blue lighting
- One-way airflow: prevents air from returning from the environment

Dimensions

- Dimensions (HxWxD): 63.5-107.5x90x50 cm
- Minimum distance from electric hobs: 55 cm
- Minimum distance from gas hobs: 65 cm
