General Specifications

- Door Hinge: Right convertible
- Possibility to change the door position

- NoFrost: You'll never have to defrost the cooler again because the cooling circulation system distributes the cool, dry air evenly inside so that no ice forms
- DailyFresh: Improved freshness for fruit and vegetables
- DynaCool: Ensures even temperature distribution throughout the entire refrigerator. No longer does it matter which level you store your food on, as conditions are the same in all sections
- LED lighting: gives the interior a more abundant and eye-pleasing light, also contributing to energy savings compared to traditional light bulbs
