SKU: IT66875

€729.00

Specifications

Technical Specifications

- Energy Class: A+++
- Condensation efficiency: B
- Capacity: 8 kg
- Annual energy consumption: 235 kWh
- Drying programmes: 14
- Noise levels: 65 dB

General Specifications

- OptimalDry technology: Uses 3 sensors for better results
- Internal bucket lighting (LED)
- Filter 2-in-1: an innovative 2-in-1 filter system has two layers of mesh and

eliminates the need for a filter in the heat exchanger

- SmartThings app: provides advice on cycles, scheduling and troubleshooting
- SmartThings Home Care: SmartThings Home Care notifies you when parts need to be replaced and helps solve the problem
- Air Refresh - Airing: freshen clothes without washing, scrubbing or applying detergent. Air Refresh technology gives clothes a sense of freshness so they smell good.
- Auto Cycle Link: a system that automatically recognises the programme of the washing machine and copies the corresponding programme to the dryer for ideal drying and laundry care
- Optimized Drying: an intelligent system that uses 3 sensors for better results
- Quick Dry 35': Quickly dry the clothes you need. The Quick Dry 35' cycle dries a small load of clothes up to 1 kg in just 35 minutes
- Door reversibility
