

HOTPOINT NM11 945 WS A EU Washing Machine 9 kg, White

SKU: IT68108

€549.00

Specifications

Technologies

- Steam Hygiene: This option enhances washing performance by generating steam during the wash cycle to remove any bacteria from the fibres, which are treated at the same time
- Final Care: The washing machine will perform gentle tumbling through slow rotations of the drum
- Rapid/Eco: After pushing the button for the 1st time, option Rapid is selected and the cycle duration will be reduced
- Active Care System: The detergent, premixed with water, creates a unique emulsion able to better penetrate the fibers of the garments, cleaning stains at even low temperatures
- Wools- Woolmark Apparel Care: The "Wool" wash cycle is approved by the

Woolmark Company for washing wool garments classified as “hand-washable”

- Antiallergic Program: Suitable for removing major allergens such as pollen, mites and cat or dog hair
- Steam Refresh: The garments will be damp once the cycle is completed
