

iRobot 4409704 Navigation Hub for Braava 320

SKU: IT47123

€29.95

Specifications

General Specifications

- The NorthStar® navigation bucket can be used with the Braava floor scrubber robot to set up an additional cleaning zone in your home
- Braava will move from one cube to the next, expanding the area that can be covered in a single cleaning cycle
- Compatible with Braava 380t and Braava 390t robots

In The Box

- 1 NorthStar navigation cube - Channel 2 (requires 2 C batteries, included)
