

iRobot i3 Bagless Robotic Vacuum Cleaner, Grey

SKU: IT56397

€299.00

Specifications

Technical Specifications

- Container capacity: 0.4 lt
- Connection: WiFi
- Covered Area: 90 m²
- Filter type: high efficiency

General Specifications

- 3-stage cleaning system
- Double brushes of multiple rubber surfaces
- Active space sensor technology: alerts the robot to avoid narrow spaces in order to step back and continue cleaning
- Cleans line by line with logic, using floor monitoring sensors to navigate the house

- Absorbs dirt, debris & pet hair wherever they are, while rotating side brush takes care of details
- Complete cleaning: dirt detect sensors allow it to focus on cleaning the areas it needs, such as the dirtiest areas of your home
- Prevents clutter: learns your cleaning habits and suggests programs that suit your needs
- Voice command via iRobot, Google or Alexa
- Ideal cleaning team: thanks to Imprint® connection technology, the Roomba® i3 robotic vacuum cleaner and the Braava jet® m6 robotic mop can work together perfectly for automatic cleaning

Dimensions & Weight

- Robot dimensions: 34x34,2x9,25 cm
- Robot weight: 3,18 kg
