General Specifications

- Classic Milk Frother: guarantees foam with a perfect silky texture, consisting of only two components
- My Coffee Choice: three different settings will allow you to adapt your coffee to your personal taste with ease
- Grind levels: choose between up to 12 different grind levels: from a very fine grind to a coarse grind
- Aroma Extract: ensures the optimal balance between the ideal brewing temperature and the ultimate extraction of aroma
- Removable brewing unit: all you need to do is remove it, wash it thoroughly under a tap and then re-install it
- Automatic descaling signal: alerts you when it's time to run the automatic descaling programme
- AquaClean: you only need to descale it about every 5000 cups of coffee you brew. The clean water will also make your coffee even tastier
