General Specifications

- DoubleSteam: with new DoubleSteam technology produces 2 times more steam than Braun 5 series steam irons
- iCare technology: allows you to iron at a safe temperature with one button

- One click of the button allows you to use a single safety lock with just one touch of a button - one touch of a button to turn on a single heat setting at a single touch
- Automatic temperature regulation
- Vertical steam
- Removable water tank
- Instant refill
- Less ironing by 50%: The amount of steam is 100% more, therefore you only go over each crease once and reduce the ironing time by 50%
- Cleaning salt warning function
