SKU: IT66898

€229.95

Specifications

Technical Specifications

- Power: 500 Watt
- Motor: 500 Watt for heavy mixing jobs with high efficiency
- 12 speed settings
- Stainless steel bowl with ergonomic handle for easy handling
- Sturdy die-cast metal housing and base

General Specifications

- Large capacity 5.2 litre dishwasher safe bowl
- Chef's whisk for whipping - made of stainless steel with aluminium head
- Ideal for gently folding air into egg whites, whipping light, fluffy cream or mixing dips and sauces

- Feather flat for mixing - ideal for biscuits, cakes and mixes
- Dough hook for kneading - ideal for bread, pizza and pasta
- Splash guard with spout - prevents splashing when mixing and adding ingredients
- Head lift lever securely locks the base mixer head in an elevated position - making it easy to add ingredients and remove the bowl

Accessories

- Mixing paddle
- Wire attachment
- Dough hook
- Bowl cover
- Recipe book
