

MIDEA MF-CN55D2 Air Fryer

SKU: IT64952

€89.00

Specifications

Technical Specifications

- Capacity: 5.5 liters
- Power: 1700 Watt
- Temperature Range: From 80°C - 200°C

General Specifications

- Timer 60 min
- Automatic Shut-Off
- With non-stick fryer baskets
- Automatic shutdown, Programmable
- Temperature Control, 100% crispy
- Large touch-sensitive LED display
- 81 PDF recipes
- Temperature control

- Fast dual cyclon air technology
- 100% crispy, no guilt: Thanks to the dual cyclon air quick heating, the Midea air fryer can achieve powerful and even heating inside the cooking basket,
- : which provides the crispy outside inside with 90% less fat
- More economical cooking: the Midea air fryer reduces preheating time. It saves more time than conventional ovens and consumes less electricity
- One-touch LED Panel: Suitable for 3-5 people with 8 multi-functions: baking, roasting, dehydrating, air fryer, reheating, preheating, baking, turning
- Effortless cleaning and easy cooking: The non-stick coating makes the square basket easy to clean, just wash it or put it in the dishwasher
- : The removable drawer makes it easy to flip and remove food during and after cooking
