General Specifications

- Programs: Pressure Cook, Air Fry, Slow Cook, Steam, Bake/Roast, Sear/Sauté and Grill
- Pressure cook: The high-temperature steam quickly cooks pasta, chili vegetables, burgers, chicken breasts and ribs
- Air frying: You can make crispy chips, fish fingers and chicken wings using little or no oil. Up to 75% less fat than traditional frying

- Slow cooking: With slow cooking, you can prepare stewed dishes, risottos, meat stews and more. This function slowly cooks food for up to 8 hours
- Blacking/Skirt-Cooking: Use Sear/Sauté to sear and brown a nice steak before cooking, to caramelize onions, toast seeds and make the base for many sauces in the cooking pot
- Steaming: Activate the Steam function to gently steam fish, rice, vegetables and more
- Grill: Allows you to caramelize and brown food
- Yogurt maker: Allows you to pasteurize and ferment milk to obtain creamy, homemade yogurt
- Drying: The dehydrator allows you to dehydrate fresh foods
- Baking/Roasting: Cook frozen foods directly from the freezer and bring them to the table. No need to defrost first, ideal when you need to prepare dinner in a hurry
- Ideal size for up to 6 people
- Accessories with non-stick coating
- Accessories that are dishwasher safe
- Recipe guide included
- Easy and fast cooking
