### General Specifications

- Type: Electric Toothbrush
- Brushing Programs: Daily Cleaning, Deep Cleaning, Whitening, Gum Care, Sensitive Tooth & Gum Sensing & Tongue Cleaning
- Artificial intelligence recognizes the way you brush and guides you through the Oral-B application, for better results every day.
- Protects your gums: The gum pressure control function automatically reduces the speed of brushing and notifies you with a visual alert when you brush with excessive pressure
- It has a CrossAction brush head for deep cleaning with CleanMaximiser technology, the green fibers turn yellow when it comes time to change the head of your toothbrush

- Battery Life: 2 Weeks
- Built-in timer
