SKU: IT63240

€19.95

Specifications

General Specifications

- Non-stick metal plate
- With folding handle, to take up even less space
- If possible, spray water on the fabric before ironing. This will make it softer and easier to iron
- To iron synthetic fabrics, place a protective cloth between the fabric and the iron
- Requires no water to work
- Power supply: power cord with EU plug included (length: 150 cm)
- Material: PC
