

MIDEA JL1645T-Z-IOT Water Purifier with Wi-Fi, Black

SKU: IT58706

€299.95

Specifications

Technical Specifications

- Temperature options: Cold / Hot / Warm
- Power: 530 Watt
- Water capacity: 2.5 lt cold / 1 liter hot
- Cold Water Outlet: 1.2 lt / min
- Hot Water Outlet: 1.2 lt / min
- Filter Type: Carbon Block Filter 5678L
- Cooling Capacity (1t / hour): 3L / H - 10 °C
- Cooling Power: 100 Watt
- Hot Water Capacity (1t / hour): 4L / H & Gge; 85C
- Heating Power: 420 Watt
- Built-in Wi-Fi

- Voltage, power supply and frequency: 220V, 60Hz / 115V, 60 Hz
- It needs water pump to work

General Specifications

- Antibacterial UV lighting
- Filter change reminder
- Maximum chlorine reduction
- Activated carbon filter (Block) with NSF certificate
- Touch Technology
- Highlight available filter capacity 1 and 2
- Highlighting water consumption from the day of use
- Adjust the amount of water coming out of the refrigerator

Cleaning Performance

- Particular removable:
- Smells/Tastes: Removed
- Visible objects: Removable
- Bleach Reduction:
- Cysts:

Dimensions & Weight

- Dimensions (HxWxD): 42.5x26x43.5 cm
- Weight: 13.5 kg
