## Specifications

---

### General Specifications

- Type: Floating Hand Grip
- Compatibility: all Go Pro cameras
- Comfortable, non-slip construction for a secure grip
- Easy to switch between mounts with a quick release base
- Keeps your GoPro afloat better than ever before so you can shoot in and around the water worry-free
- Perfect for surfing, kayaking, wakeboarding and other water sports
- Bright orange cap piece is easy to spot if you ever drop it in the water
- Enables more stable footage than holding the camera by hand
- Wrist strap lanyard included for extra security
