- Waterproof: up to 10m

Connectivity

- Wi-Fi: 2.4GHz, 5GHz 802.11a/b/g/n/ac
- Bluetooth: BLE 5.0
- MicroSD Card: UHS-I V30 speed class, up to 1 TB
- USB Type-C port

General Specifications

- Capture first, point later: Simply mount up, hit record and choose the best angles afterwards
- : Using easy reframing tools in the AI-powered Insta360 app
- : Share to any social media platform in a tap without losing any quality
- The most megapixels ever: The most megapixels ever in a 360 action cam
- : Capture 360° photos with more detail than ever before
- Bring out the details: An innovative new HDR mode for stabilized action videos
- : In tough lighting conditions, Active HDR reveals details in the highlights and shadows that other action cameras miss

- 4K first-person views: Select a lens to shoot wide-angle footage just like a single-lens action cam
- : Get maximum resolution with 4K30fps or an extremely wide 170° field of view with 2.7K MaxView
- See yourself at 60fps: Try the all-new ME mode which fixes the frame to focus only on you
- FlowState Stabilization: Bumpy trails and big waves are no match for X3's leading action cam image stabilization
- : FlowState keeps your videos smooth no matter what
- 360 Horizon Lock: Whether you're flipping on your paraglider or riding a roller coaster, 360 Horizon Lock always keeps your video level
- 8K Timelapse: Take next-level 360 timelapse videos in eye-popping 8K, thanks to X3's larger new sensor
- Voice Control 2.0: A new voice control algorithm makes it easier to control X3 when your camera is mounted out of reach
- Rugged Build: X3 has you covered with tough, tempered glass for the touchscreen, plus the option of Sticky Lens Guards for extra lens protection
- Insta360 STUDIO app: Use Insta360 Studio and all the tools it provides to make your videos stand out
- : Keyframing and 360 editing tools will help you create the content of your dreams, with no quality loss!
