General Specifications

- Bluetooth Button: Press to pair with a Bluetooth device
- Voice: Works with Sonos Voice Control and Amazon Alexa. Availability of services varies by language and country
- LEDs: Lights on the product indicate connection, charge status, mute status, microphone activation, and errors
- Mic Switch: Toggle off this switch on the back of the product to disconnect all power to the microphone hardware
- Apple AirPlay 2 Works with AirPlay 2 on Apple devices iOS 11.4 and higher on WiFi
- The new acoustic architecture: Replaces Move's single tweeter with two, unlocking a higher-fidelity stereo soundstage with crisp vocals and detailed instruments
- : With deep, dynamic bass powered by the precision-tuned woofer, you'll feel the emotional charge of a live performance
- With automatic Trueplay tuning: Move 2 continually optimizes the sound for its surroundings
- : So, no matter where you are or what you play, you get the best listening experience
- Listen twice as long as with the previous generation: All the acoustic updates work in concert for increased efficiency, giving you up to 24 hours of playback on a single charge
- Shock absorbent materials: Protect against accidental drops, and the IP56 rating ensures spills, splashes, rain, dirt, and dust don't dampen your listening experience
- Use the built-in handle: To bring your music from one place to the next. When the battery needs a boost, set Move 2 on the included Wireless Charging Base
- : upgraded with a detachable power cable and more compact adapter. Charge on the go with any USB-PD power supply
