

STANLEY FATMAX FMEW214K-QS

Electric Palm Sander 280W

SKU: IT66038

€79.00

Specifications

Technical Specifications

- Power: 280W
- No-load speed: 0-7000/ 0-12000 rpm/min
- Use: Ideal for using on vertical surfaces such as doors and walls, for light to medium sanding tasks
- Sanding movements: 24.000/min
- Sanding belt size: 90 x 187 mm
- Oscillation diameter: 2 mm
- Power Cord length: 4 m
- Voltage: 230V
- Frequency: 50Hz

General Specifications

- Impulse sander suitable for general grinding applications and finishing applications
- Integrated dust extraction with large dust collector
- Dust collector: easy to remove, minimizes reuse in the workplace
- Rubber gripping surfaces on the main and second handles reduce vibration for a high level of operating comfort and even longer life
- The velcro base and metal clips provide flexibility in the use of abrasive papers
- The strong 90 x 187 mm aluminium grinding plate reduces vibrations and guarantees stability and durability
- Preset number of oscillations via the control on the second handle for easy adjustment of the number of oscillations according to the application area and material

Included in the Box

- 1 Abrasive sheet net velcro
- 1 Dust bag
- 1 Die cutting machine
- 1 Plastic Carry case

Weight and Dimensions

- Weight: 2.1 kg
- Dimensions: 28 x 10 x 17 cm
