

MAKITA BL1021B Lithium-Ion Battery

12V 2.0Ah

SKU: IT62803

€45.90

Specifications

Technical Specifications

- Voltage: 12V
- Battery capacity: 2.0Ah
- LED indication of the battery charge level
- Battery type: Lithium-Ion
- High power, high performance
- Possibility of charging at any time
- Cooling system

CAUTION!

- Change the battery cartridge before completely discharged. Always stop tool operation and charge the battery cartridge when you notice less tool power

- Never recharge a fully charged battery cartridge. Overcharging shortens the battery service life
- Charge the battery cartridge with room temperature at 10°C-40°C (50°F-104°F). Let a hot battery cartridge cool down before charging it
- Charge the battery cartridge if you do not use it for a long period (more than 6 months)

General Specifications

- Battery Charge Time: 70 min
- Stable, safe and highly resistant connection of the battery to the tool
- Design for shock absorption

Weight

- Weight: 359 gr
